

## **Obtaining Public Patient Clinical Information** **from St John of God Midland Public Hospital**

The new St John of God Midland Public Hospital (SJGMPH) opens on 24<sup>th</sup> November 2015 at 0700hrs.

To access information relating to a public patient's episode of care at SJGMPH, clinicians and authorised administrative personnel can ring SJGMPH, 24/7/365 to progress their enquiry.

The contact points are:

- **Health Information:** **9462 5250** or email [MI-HealthInformation@sjog.org.au](mailto:MI-HealthInformation@sjog.org.au)
- **Pathology Results:** **1300 367 674** (St John of God Pathology General Results Line)  
**9462 5192** (Midland Duty Scientist)
- **Imaging (PRC):** **1300 772347328** During hours (8.30 -17.30)  
**9462 5115** Out of hours: (Emergency Only - On Call MIT)
- **SJGMPH switchboard 9462 4000** can be contacted if there is difficulty in contacting any of these numbers, or there is a need to speak directly to a Clinician

Note that the caller will need to adequately identify themselves, the patient, the reason for requiring clinical information, and nominate a WA Health email address or a WA Health fax number to which the requested information can be sent.

**Please distribute this information to the relevant personnel and departments in your facility, to enable the prompt accessing of clinical information when required.**
